

ClearShield™

Easy-to-Clean Glass

The Flair NaMara and Wetroom Shower Screens are fitted with ClearShield glass as standard - at no extra cost!

What is ClearShield?

- An invisible special protective coating for shower glass
- Resists limescale build-up and water spots
- Is always easier to clean and keep clean, saving time and effort
- Maintains pristine clean appearance
- Hinders bacteria growth for a more hygienic environment

Without ClearShield™

With ClearShield™

The ClearShield™ Protection:

Hard water creates unsightly and resistant water spots on unprotected glass. The limescale from the hard water etches the surface of the glass, and high levels of humidity accelerates the corrosion process. The build up of dirt facilitates the development of bacteria.

Cleaning becomes very hard – if not impossible – no matter how hard one tries, wasting much time and effort. The appearance of the shower is completely spoiled, and the bathroom environment becomes unhygienic.

Protection with ClearShield is effective in shower and bathroom environments because it resists limescale and is proven to have hygienic properties. It ensures that shower or bath enclosure glass remains as clean and shiny as the day it was bought, with the least possible effort.

Flair International Limited, Bailieborough, Co. Cavan, Ireland.

The Consumer Benefits are Clear – Sparkling Glass for up to 5 years!

- Consumers can spend more time pampering themselves in their showers - not cleaning and scrubbing the shower
- The protective ClearShield coating practically cleans your shower – because it repels water, lime scale and soap scum. All it needs is a quick wipe to keep the glass pristine clean
- ClearShield promotes a more hygienic bathroom environment as it protects the shower from the harmful build up of bacteria and germs
- As cleaning is less frequent, there is no need to use astringent chemicals which is kinder to the environment
- ClearShield is guaranteed for 5 years and can be extended to 8 years

How Customers can extend the 5 year warranty to 8 years:

Gain maximum performance with Ritec's 8 year warranty.

- ClearShield is expected to perform for up to 5 years before application, provided non abrasive cleaning products and methods are used
- Flair have joined with Ritec (the award winning Clearshield suppliers) to offer consumers the choice to extend their performance of Clearshield to 8 years
- Ritec offer consumers the extended warranty when they register their new ClearShield protected shower enclosure with them and follow their simple aftercare programme
- For more information, simply register with Ritec by visiting their registration website at:
