

Flair International – Designed with Ease of Installation in Mind

Flair International is Ireland's leading manufacturer of shower enclosures and bath screens. Flair's experience and expertise is evident from their top selling product ranges, which combines design, durability and safety to ensure maximum performance. A shower enclosure or bath screen from Flair is an affordable luxury for any bathroom space.

Flair's current product range of bath screens and shower enclosures includes the **Fresca**, **Omega**, **Capella**, **Astral Capella** and **Chianti** brands. Flair manufacture in Ireland and all products meet an exacting quality standard, are made from the highest quality components and are backed by a 10-year guarantee. Safety is a key consideration in the design and manufacture of Flair's products. Each Flair product is produced with toughened safety glass and is approved to rigorous European safety standards, guaranteeing the highest standards in design, quality and safety.

This spring, Flair International is offering all **Omega** customers the chance to win an amazing holiday worth €3000 ROI/£2000 NI. Customers who purchase any selected enclosure from the stunning Omega range will be automatically entered into the draw to be in with a chance to jet off to foreign parts courtesy of Flair International. See in stores for more details.

Flair products are widely available from all leading bathroom and showroom specialists and builders' merchants throughout N. Ireland. Suppliers' details and further information on the comprehensive range is available on the Flair web site: www.flairshowers.com
